25. CHANGE IN INCURRED LOSSES AND LOSS ADJUSTMENT EXPENSES

On January 1, 2016 the Company was subject to an annual fee under section 9010 of the Affordable Care Act (ACA). This annual fee has be allocated to individual health insurers based on the ratio of the amount of the entity's net premiums written during the preceding calendar year to the amount of health insurance for U.S. health risk that is written during the preceding calendar year. A health insurance entity's portion of the annual fee becomes payable once the entity provides health insurance for any U.S. health risk for each calendar year beginning on or after January 1 of the year the fee is due. As of December 31, 2017 the Company had written health insurance subject to the ACA assessment, expects to conduct health insurance business in 2018, and estimates their portion of the annual health insurance industry fee to be payable on September 30, 2018 to be $645,000. The Company also recognized that via an assumption reinsurance agreement with National Guardian Life Insurance Company that an assessment would be payable to National Guardian Life Insurance Company in the form of a reimbursement. The Company had estimated the fee reimbursable to be $75,000. These amounts are reflected in Insurance taxes, licenses and fees as well as Taxes, licenses and fees due and accrued.

The Company has ceased provisioning for the ACA provider fee in 2018 due to the law provision for a moratorium for the provider fee to be paid in 2019.
